PROFESSIONAL EXPERIENCE:

3/5

October 1980 – September 2003

During the 20 years at KJM Stables, oversaw the transformation from horse rental program and 50 horse boarding facility to Equestrian School and Competition Training and Show Facility. The following is a broad outline of experience during that time.

*Composing and generating **forms and documents** for all aspects of Equestrian Business Management of equestrian school. Supervised all **Construction** projects, **barn Maintenance**, and **Personnel**.*

*Creating syllabus for and management of **Equestrian School and Summer Camp Program** for beginner through advanced riding levels. Managed daily **Lesson Program** for 3 arenas, 5 instructors, 20 lesson horses, serving hundreds of regular weekly lessons.*

***Riding Instructor** of beginner through advanced levels of Equestrian Sports. Managing the daily training of competition horses and riders. Repeated annual awards obtained for horses and riders at the state and national level competitions throughout the Midwest. Rider achievements include state, and regional recognition, including medals from **North American Young Riders (NAYR)**.*

***Professional Rider** with training experience and consistent winnings on client and personally owned horses in Hunters (to 4'0") and Jumpers (1.45m) throughout the US. Management of **Horse Sales and Riding Equipment Sales** for all students, boarders and clients averaging 30 horses per year.*

*Hosting and management of multiple annual **on site Horse Show Competitions**.*

*Owned and operated on site **Tack Store** offering supplies and equipment for pleasure through advanced competition riders for boarders and students.*

*Constructed and provided **Jump Rental Business** with **Course Designing Services** to all associations exhibiting at Expo Square Fairgrounds in Tulsa, OK. Provided jumps and design services to **Palomino World Show, Welsh Pony National Horse Show, POA National Horse Show**, and most **Local and Nationally recognized Hunter Jumper Shows** held at Expo Square.*

*Providing **Trailer and Hauling Services** to competitions throughout the US.*

*Experienced **CDL Licensed Driver** with many hours of driving 60 foot combined vehicle length.*

*Providing selection of and **International Import Services** for competition horses from Europe. Initiated application process of **CEM Quarantine** status for State of Oklahoma. Constructed and opened **Oklahoma's 1st CEM Equine Quarantine Facility** in 1998 and since imported 60+ European Warmblood Horses for resale in the US.*

*Served as **Committee Member** for Oklahoma Hunter Jumper Association, Hunter Jumper Exhibitors of Oklahoma (served as President for 5 years in 90's) Greater Oklahoma Horse Show Association, and United States Equestrian Federation Zone 7 Hunter committee and Zone Finals Committee.*

PERSONAL EXPERIENCE (con't)

4/5

September 2003 – April 2011

Offered Riding Instruction, **Clinics**, Training, Professional Competition Riding and schooling for clients.

Provided professional Competition Riding and Training for **AQHA** show circuit and at AQHA World Shows in 2005 and 2006.

Continued **Equine Import Services and Sales** from Europe and reestablished base training operation and CEM Quarantine Facility in Stratford, OK in 2004.

Established **Breeding Program and Sales Facility** of imported Dutch and German Warmblood Horses at Casey Ranch.

Continued **Judging** at Local and National level Competitions.

June 2008 – April 2011

Provided **Consulting in Equine Facility and Equestrian Program Management** to owners of Cadence Equestrian Center in Edmond, OK. Organized new arena design and restructure of training program. Provided riding instruction, training of horses and riders on site and at competitions. Assisted in re staffing of instructors and barn maintenance personnel. Trained staff to host and manage on site state recognized horse show competitions. Assisted in sales, network marketing, and management.

Established competitive, quality service/care practices and rates acceptable for maximum occupancy and earning potential in Oklahoma's current equine marketplace and climate.
